Subject: Report of Board member W9MOT for Annual Meeting –

My particular phase of work with the Board for 1958 concerned the Articles, By Laws and Rules of the Club. After several meetings with legal council and outside attorneys several items in our By-Laws particularly concerning absentee ballots, proxy ballots and non-resident voting were clarified.

Other items of which I had a part was search with other Board members for typewriter compilation of technical data regarding portable radio equipment to be purchased. This study is still not complete and will be continued for following year until purchases are consummated.

Have worked with the picnic committee to try to assure success of picnic as refreshment chairman.

Respectfully submitted
Karl Eggert W9MOT.
